Thank you for taking the time to complete the questionnaire and offer suggestions; it always helps us to continue to improve and take our school from strength to strength – we hope to use some of the suggestions to further enhance the provision at the school. The results from the questionnaire have been so positive, and I have been overwhelmed by the wonderful comments made about our school and staff. The staff and governors truly love our school, and the affection seems to be equally shared by our pupils and parents – this makes us an even stronger family community at St. Anne Line Catholic Junior School.

On behalf of the pupils, staff, governors and myself, I thank you for your continued support.

N. Watson
