

# St. Anne Line Catholic Junior School

## Laudato Si

### Laudato Si in St. Anne Line Catholic Junior School

Pope Francis wrote a letter to all of us, asking us to care for our common home, the earth. In his letter he asks for all of us to work together to look after our planet.

#### [A Letter from Pope Francis](#)

At St. Anne Line Catholic Junior School, we work to share this message focusing on the 3Rs – Reduce, Recycle, Reuse. We care about our school and local environment, working together to become God's instruments of change on Earth – it is our responsibility to look after it and to help it flourish.

#### **Prayer**

We thank you Lord for the earth which is our home. Help us to work together to protect the planet from harm.

We thank you Lord for the water which gives us life. Help us not to waste this precious resource.

We thank you Lord for all the plants and creatures you have given us. Help us not to do anything which causes them harm.

We thank you Lord for all the people we share the world with. Help us to work together to take care of each other and our home, so that no one suffers.

Amen.
