**With Jesus, through the St Anne Line Way,
We Love, We Learn, We Share, We Pray.**

Together, we grow Our School each day

The Nature of Prayer and Liturgy

We believe that Christian Prayer and Liturgy in a Catholic school names and celebrates God's presence in our lives. It is concerned with giving glory, honour, praise and thanks to God. It is our loving response, in word and action, to God's invitation to enter into relationship, made possible through the work of Jesus Christ and the witness of the Holy Spirit.

Legal Requirements

We acknowledge the legal requirement that there must be a daily act of Prayer and Liturgy for all pupils. We understand that simply holding an assembly that includes a prayer, said either by the teacher or everyone present, does not fulfil this requirement. We also acknowledge that Prayer and Liturgy and assembly are distinct activities. They may sometimes form part of the same gathering, but the difference between the two will always be made clear. As part of this, we also take our duty of Safeguarding very seriously and we understand that personal prayer and reflection may subsequently lead to a disclosure which would activate our well- established Safeguarding procedures. The act of Prayer and Liturgy is not designated curriculum time under regulations and will not be subsumed under any part of the curriculum, including religious education. As a rule, acts of Prayer and Liturgy will take place on the school premises, or Church.

The Aims of Prayer and Liturgy

We believe that Prayer and Liturgy in our school aims to provide opportunity for all pupils and staff:

- To contemplate something of the mystery of God.
- To reflect on spiritual and moral issues.
- To explore their own beliefs.
- To respond to and celebrate life.
- To experience a sense of belonging and develop community spirit.
- To develop a common ethos and shared values.
- To enrich religious experience.
- To grow in liturgical understanding and development.
- To reinforce prayers which are part of the Catholic tradition.

- To reinforce positive attitudes.
- To participate fully.
- To take time out 'to wonder at', 'to come to terms with' and 'to give worth to.'

Principles

All acts of Prayer and Liturgy in this school will:

- Give glory and honour to God.
- Be a quality activity, fundamental to the life of the school and its Catholic character
- Give children positive liturgical experiences, appropriate to their age, aptitude and family backgrounds in order to prepare them for the liturgical life of the Church.

In order to do this, celebrations will:

- Be kept small wherever possible or appropriate to help to personalise the experience.
- Be short and appropriately paced.
- Be simple, including a range of experiences offered in a variety of groupings and in a variety of settings.

Responsibility

(a) Governance

The governors, as guardians of the Catholic school's life and mission, have a responsibility to ensure that:

- Prayer and Liturgy are central to the Catholic life of the school and therefore are in line with the guidance set out by the Prayer and Liturgy Directory.
- There is a named person(s) who is responsible for Prayer and Liturgy in the school (the Prayer and Liturgy Lead).
- The Prayer and Liturgy Policy is updated regularly and shared with all stakeholders.
- There is a budget for Prayer and Liturgy that reflect its centrality to the life of a Catholic school.

(b) Head Teacher

The Head Teacher, as the spiritual leader of the school as a Catholic community, ensures that:

- Prayer and Liturgy are central to the Catholic life of the school and therefore are in line with the guidance set out by the Prayer and Liturgy Directory.
- They work in partnership with the leader(s) for Prayer and Liturgy.
- Those responsible for Prayer and Liturgy in the school have been given appropriate training and formation to ensure that all guidance is followed and adhered to.
- There are suitable resources for prayer and liturgy in the school.

(c) Prayer and Liturgy Lead

Those responsible for prayer and liturgy ensure that:

- Prayer and Liturgy are central to the Catholic life of the school and therefore are in line with the guidance set out by the Prayer and Liturgy Directory.
- There is an Annual Plan of Provision for Prayer and Liturgy across the school year which identifies liturgical seasons and key celebrations, as well as opportunities for the celebration of the Sacraments.
- There is daily planned prayer for all pupils, appropriate to age and ability, as outlined in the Prayer and Liturgy Directory.
- Pupils are supported in their liturgical formation to take an active role in the planning, preparation, and delivery of Prayer and Liturgy according to their age and capacity, and in a manner which facilitates their progressive participation.

- Resources to support the planning of Prayer and Liturgy are appropriate and readily available to staff and pupils.
- Induction on Prayer and Liturgy takes place for new members of staff as required.
- Staff have access to effective training and formation opportunities.
- Monitoring and evaluation of Prayer and Liturgy take place regularly and feed back into planning for future liturgies.
- Monitoring of Prayer and Liturgy is reported to the Head Teacher and Governing body to support whole-school development and the Catholic life of the school.
- There is collaboration with local clergy and parishes.
- Liaison with the Diocesan Advisory Service and others is maintained to ensure they keep updated with best practice.

Resourcing

Prayer and liturgy are central to the school's understanding of itself as a Catholic school, and this is reflected in the annual budget allocation and available resources, including staff time, and dedicated spaces for prayer and liturgy. The Catholic character of the school is reflected in religious artefact and images on display throughout the building. Dedicated spaces for prayer and liturgy will be furnished and maintained.

Training and formation

All new staff will be supported during induction and beyond, so that they fully understand the responsibility they carry within their individual role for leading prayer and liturgy in the school. Any individual training needs will be identified and addressed through training and formation. There will also be the opportunity for whole-staff professional development at least once a year, so that all staff understand the importance of prayer and liturgy and relevant staff are well supported to lead as required.

Monitoring and evaluation

Monitoring and evaluation of the quality and impact of prayer and liturgy will take place regularly, and at least annually, and involve all key stakeholders: pupils, parents, staff, clergy, and governors. Areas for development will be identified and issues raised will be actioned and evidenced as appropriate.

Review

The policy will be reviewed as part of the regular cycle of policy review conducted by the governors.

A Rights' Respecting School

Saint Anne Line Catholic Junior School is a level one Rights' Respecting school. At the heart of our school is the Convention for the Rights of the Child (CRC). This is evident in our planning, policies, practice and ethos.

- **Standard A: Rights-respecting values underpin leadership and management**
The best interests of Saint Anne Line pupils are a top priority in all actions. The values and principles of the CRC at the heart of this policy.
- **Standard B: The whole school community learns about the CRC**
The Convention is made known to children and adults. They use this shared understanding to work for global justice and sustainable living.
- **Standard C: The school has a rights-respecting ethos**
Children and adults collaborate to develop and maintain a rights-respecting school community, based on the CRC, in all areas and in all aspects of school life.
- **Standard D: Children are empowered to become active citizens and learners**
Every child has the right to say what they think in all matters affecting them and to have their views taken seriously. Saint Anne Line pupils develop the confidence, through their experience of an inclusive rights-respecting school community, to play an active role in their own learning and to speak and act for the rights of all to be respected locally and globally.
